SAFESITTER COURSE

This is a training program for students who want to be childcare providers. Professional firefighters and educators provide hands-on training in preventing and responding to emergencies, with an emphasis on first aid skills. This course covers infant care, planning age appropriate activities as well as how to manage discipline issues. Students are also taught to recognize child abuse and, if confronted, how to handle inappropriate adult behavior. This program is designed for mature-minded students who are serious about developing their child care abilities. Students must be 13-18 years old to take this course and will receive a certificate upon completion of this course. Students will need to bring a sack lunch to class.
